BUSINESS CONSULTING

NLH CONTRACTING'S strategy is to focus on providing quality services to our clients. We focus on providing great customer service, paired with our quality services, and we do it efficiently. NLH prides itself on developing long standing relationships with our clients.

NLH CONTRACTING works with employers in private business, non-profit organizations, local, state and federal municipalities. Primary industries include Professional Services, Technology, Finance, Entertainment and Construction/Development. An optimal client has 1-150 employees.

WE offer both onsite and remote services to accommodate our client's circumstances. This individual approach to service is what sets us apart from the larger companies who only offer phone, electronic or "out of the box" support services. We are a local company with all of the foundation services a small business owner will need in one place. We are able to provide each client access to our payroll and financial management systems as they want or need. We assist every client establish an effective HR system for effective HR management.
